**IMPORTANT ANNOUNCEMENT REGARDING THE  
PAYCHECK PROTECTION PROGRAM**  
***Funds are limited – Immediate Action Required!!!***

Disaster Loan Packaging LLC is an affiliated company of Direct Funder LLC and is immediately able to help you and your business apply for a loan under the Paycheck Protection Program as part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020.

The Federal Government has allocated \$350 billion as loans to help small businesses keep their workers employed during the pandemic and economic downturn. These loans may be forgiven if employers maintain their payrolls during the crisis or restore their payrolls afterwards.

Your employees are a valued asset to your business; don't let them down – here is an opportunity to show that you care about them.

This money is being allocated on a “first come, first served” basis. So it is imperative that you act now to apply for a loan before the funds run out.

Disaster Loan Packaging LLC is available to help you apply for the loan and navigate you through the entire process. As with any Government program, there are lots of rules and requirements, and Disaster Loan Packaging LLC has expertise that can assist you with everything that you need to get approved quickly, and take care of your employees.
